To: Patent Examination (To Make Special) Mr. Wieder
From: Randy Akins (application: 10/600,418)
Date: 10 March 2005

I am inquiring regarding my application to make special (which was granted on 1-24-2005).

My application was forwarded to the examiner for expedited action.

Can I obtain a visual flow-chart of the Examiner's process so that I can follow the procedures regarding my patent? Is the Patent Office waiting on more information from me? Thanks You.

Sincerely,

Randy Akins
